Primary role	Sakriya Bajracharya	Complete Finisher
Secondary role	Sakriya Bajracharya	Specialist
Least likely role	Sakriya Bajracharya	Co-ordinator

Your Name: Sakriya Bajracharya

Do you think the descriptions of these roles are an accurate description of your behaviour in teams? How do you see yourself differently?		Yes, I do think that the description of these roles is an accurate description of my behaviour in teams, as I have the keen eye to complete the things that I have started and I always want to become better in the task that I am assigned to.
Are there roles identified by Belbin that you might like to develop in yourself more? Which ones and why?		Yes, I would like to develop more of co-ordinating things as I my mind is more spread out and I am not able to focus on a single task very persistently.
What possible situations in the coming months can you identify where you could work on developing these skills?		Possible situation when I might be able to work on developing these skills are when I have to become the team leader as the leader in our group is changed biweekly and I have to take on leadership role to further enhance my skills.
Considering your team working, how do you think you could improve your effectiveness in group work and in contributing to the		I think that I can push my teammates harder so that they are able to complete the tasks that are assigned to them in said time. I want to help them by bringing in more creative ideas. I will also help them

success of teams that you work in?		in tasks that they are stuck in if help is required.
Are the results of this inventory consistent with how you worked in the Foundation Project in your small groups for discussions and presentations?		Yes, so far, the results of this inventory is consistent with how I have worked in the foundation of the project but I feel that I can improve even more so that the group can benefit even more by removing any hiccups that are encountered during the project.
How well do you want to contribute to group presentations?		I want to contribute fully by being dedicated in the project, making sure that all resources are utilized and the full potential of my team members are utilized.
